From the President

Dear Fellow Mensans –

I hope you are enjoying the Texas summer. In August, I will offer a testing session in Temple, Texas – I think the first one offered there. It will be Saturday, August 18, at the Temple Public library. If you know of someone who would like to take the tests, please let me know. Reservations are required, due to space limitations.

Soon it will be RG time! That will be a great Labor Day Weekend, and I hope to see a lot of you there. We will be having a quilt raffle this RG – after all, it is the “Whole Nine Yards” theme!

Please note the change in meeting day – time is still 7:00 p.m. and the place is still the North Village Branch library. The date is now the second Tuesday (in August, the 14th).

See you at future events – Janet

Treasurer's Report Second Quarter 2007

-from Don Drumtra, Treasurer

We have had good results for the first half of our first year under the program structure. As may be seen on the Cumulative Program Summary table, revenue has exceeded expenses by \$588. All programs have been significantly below budget. In June we had an unbudgeted expenditure of \$500 for a projector to be used at our monthly programs and our RG this August. We have capitalized this expense to be depreciated over 5 years but we hope to offset the negative cash flow by revenue from our RG this August..

Last quarter I mentioned that lack of volunteers has kept our program activities and expenses low. This is still the case. We need volunteers to lead our program activities. If you are interested in volunteering for any of our programs, no matter how little the time you have to contribute, please call Janet Kres and explore the possibilities. The ExComm reviewed and approved this report and accompanying tables on July 11, 2007.

July 11, 2007 ExComm Meeting

Officers attending: Janet Kres, Don Drumtra, Ron Edelstein.
Member attending: Patti Drumtra.

Janet called the meeting to order at 6:00 p.m. with a quorum present. Don Drumtra gave the treasurer's report.

... [Ed. Note: see Treasurer's Report on left column]

Program Details: Revenue is below expectations for the Recruitment program. This should be corrected when we receive reimbursement for the June and July testing. Education program revenue is below projections but that should be corrected with the RG raffle proceeds. Ralph Rudolph, the new AML RVC-6, and Robin Crawford, the AML Director of Communications, have honored Ray's commitment to pay for our software upgrade. They are heroes in my book. I will report this again for the August minutes..

Balance Sheet: The RG fund is at \$4060. We have 32 registrants. An account for equipment has been added under symposia for the projector we purchased. If we do well on the AG, we can expense the projector and use the depreciation funds proposed below to the prepayment fund for the next projector.

Lonestar Mensa Programs

Lonestar RG

-submitted by Don Drumtra, Treasurer

Note: This is the sixth in a series of articles explaining the new Lonestar Mensa Budget Structure and the many new positions and opportunities available for you.

Last month we learned about the Symposia Program covering our local gatherings. In addition to local gatherings, we sponsor an annual gathering called The Lonestar Mensa Regional Gathering or LonestaRG. It is a three day long symposia—a time to get to know other Mensans, to learn from the variety of programs presented, to support the Education Program, and to have fun. The LonestaRG is large enough, important enough, and enough work that it is budgeted and managed as a separate program to ensure its success.

The LonestaRG Chair is responsible for managing the 2007 budget of \$4,400 and for chairing the RG Committee consisting of the seven subcommittee chairs listed below and other representatives that chair may invite to participate. For example, a photographer or hotel representative may be invited to be a member of the committee.

The Registrar and Registration Committee are responsible for receiving and tracking registrations up to a year prior to the AG, passing money received and other information to the Treasurer, making name tags, manning the registration desk at the RG, and resolving registration problems. The Hospitality Chair and Committee are responsible for planning for, buying, preparing, and providing food and beverages for the RG. The Chair and some committee members should have food handling expertise and certification. The Programs Chair and Committee are responsible for planning and putting together the RG programs and other activities before the RG and the care and feeding of speakers and facilitators during the RG.

The Facilities Chair and Committee are responsible for negotiating the hotel contract before the RG and supervising contract implementation during the AG. The committee members are also responsible for trash collection, coordinating volunteers, and working with the programs committee in the care and feeding of speakers and facilitators during the RG. The Publicity Chair and Committee are responsible for working with the Lonestar Mensa Publicity Officer / Media Coordinator to market and advertise the RG in various venues before the RG, for press liaison, signage, and photography during the RG, and for publicity after the RG. The Drawings, Prizes, and Awards Chair and Committee are responsible for funding raising activities before and during the RG and the awarding and distribution of prizes and certificates. The Treasurer is responsible for working with the Lonestar Mensa Treasurer in support of all financial aspects of the RG.

Currently, Paul Pierce is our RG Chair. Committee members are Ray O'Connor, Hospitality Chair, Jane Thompson, Registrar, Paul Pierce, Programs Chair, Ellen Lucasik, Facilities Chair, John Neemidge, Publicity Chair, and Don Drumtra, Treasurer. We are looking for a volunteer to chair drawings, prizes, and awards and volunteers to help during the AG. If you would like more information about the positions, or would like to volunteer to help, please contact Paul Pierce, Janet Kres, or John Neemidge.

One of the purposes of the Lonestar RG is to support our Education Program which we will explore in next month's article.

New Member News

Joe DeBell and his wife have just moved to Georgetown (Sun City) from northern Virginia near Washington, DC where they lived for 22 years. Joe has been a member of Mensa for some 28 years and a member of Metropolitan Washington Mensa (MWM) for about 21 years, although not very "active" because of military and government job requirements and international travel. Almost 30 years in the Air Force; came in during the Korean conflict in 1950 and retired at the Pentagon in 1979; followed by a 15-year career in government & government contractor work, and then 10 years running my own company before I fully retired in 2001. My wife Joan just retired two years ago from a 42-year career as an OR Nurse / Manager.

My hobbies and interests include genealogy, golf, tennis, table tennis, computer engineering, puzzles, religion origins, archeology, past life research, biographies, theoretical physics, the civil war, medical research, technical science fiction, digital photography, cars ...

We are just moving in and getting familiar with our new surroundings; places, and neighbors and things to do in our new community and in Texas - we moved here to be closer to grandchildren in Houston; but I'm sure I will look forward to meeting some Texas Mensans in the near future.

Bobby Lane is a native Austinite, who attended Zilker and Joslin elementaries, Porter Jr. High, Travis High, and Crockett High. He attended Concordia for two years (when it was a two year school), and then the University of Texas at Austin. He has a BBA with a major in transportation, minor in management. Bobby will mark 35 years as a state of Texas employee in September, 2007. His hobbies are traveling, playing bass guitar, automotive repair and restoration, car clubs, volunteer work in the Buda Volunteer fire Department. He is a member of the Buda city council, serving his 8th year as council member and 7th year as Mayor Pro-tem. The Mayor Pt position is an elected position voted on by the council members. Historically it goes to the most tenured member. He has two grandchildren, Alyssa, 6, and Dominic, 11.

The Region 6 Report

-From: Ralph "Rudy" Rudolph, RVC6-elect

Despite the "kerfuffle" over Birmingham, (AMC's phrase) most people seemed well fed, although not in gourmet style. Plenty of blame can be assigned, from AMC's ExCom to the AG Committee, Hotel and others. It is truly sad that this happened. A committee of past and future AG Chairs will examine how to better prevent this in the future. It appears that AMC's ExCom has no legal way to quickly react to emergencies. This must be rectified. I will note that past "kerfuffles" (such as the NYC AG in 86) were FAR worse, but most folks managed to have a good time. I did.

As a "new officer" I was required to attend some orientation sessions. I was impressed with some of the things our National Office Staff are doing, and am scratching my head over others that I consider of limited usefulness compared to costs involved. AMC does not appear of have much oversight regarding these new activities. It should. I was frankly astonished when our Executive Director explained that our prime duty as AMC Officers was to the Corporation (AML and the National Office) as "Mensa could not exist without the National Office". Pardon me, but I have not been a member for 38 years because of a feeling of duty to a Corporation.

The AMC did appoint Jeff Dommenege as my Asst RVC. Jeff will concentrate on getting improved Gen-X involvement. I thank him for volunteering.

In terms of disputes within local groups, I will remind local groups that they should have an ombudsman to try to mediate these disputes before they escalate. It's much easier to nip problems in the bud rather than when they become full blown.

I had some good chats with the leaders of some of our smaller groups. As I expected, many are in difficulty because of an aging/dying ExCom and lack of activities/participation by Gen-Xers. My first task as RVC will be to try to help these groups get back on the road to health as opposed to folding them. How much I can do along these lines depends in part on my available RVC funds. Part of these had already been committed by my predecessor, Ray O'Connor. The amount available to visit local groups, assist groups and attend RGs is disgustingly small. It really ties my hands in how much I can do. RVCs are given responsibility without support.

On a more positive note, I'd like to congratulate Nancy Park of Central Oklahoma's Mensokie for winning "outstanding Newsletter" for small groups, Roy Huff of South Texas Mensa for winning the Abbie Proctor of the Year award, South Texas Mensa for winning the Dr. Salny Award for Outstanding Service in the Area of Testing, Permian Basin for winning Class V of GOTYA (Group of the Year Award), Donald Dumtra of Lonestar Mensa for being awarded the

Chairman's Certificate of Appreciation, Gulf Coast Mensa's Website, Lori Crew's "Members Only", and CultureQuest winners (1st) Eureka, 9th Grey Matters, 17th Lonestar supernovas, and 19th Hegel's Heroes. Thanks all for a job well done.

As an RVC, I do not expect to be loved. The best I can hope for is to earn your respect. I hope that happens.

Let me know your opinions at Rudy11@comcast.com or RVC6@us.mensa.org.
